### Documenting Networks and Data Centers with Visio 2010

---

## Microsoft Sites

New Visio Website <http://visio.microsoft.com/>

Contains content from the former Visio Toolbox site, including free downloads of templates (starter diagrams) and add-ins (Visio plug-in programs that may also include customized templates). The add-ins page includes add-ins for

- Disk Space Monitoring
- Exchange Server 2007
- Rack Server Virtualization
- System Center Operations Manager 2007 R2
